

Global overview of requirements for products and services

Commodity group	Products and services
Steel/stainless steel	Sheets Profiles Supporting cages
Cast iron	Grey cast iron Die-cast aluminium
Drive units	Electric motors Gear motors Fan belt drives
Pneumatic systems	Diaphragm valves Pneumatic cylinders
Measuring and control technology	Controlgears and switchgears Transformers Measuring and analysis technology
Fittings	Flaps Sliders Valves
Fans	Axial and radial fans
Connecting elements	Screws Fastening technology
Surface protection	Lacquers Primers Paints
Steel construction	Vessels Welded constructions Pipes
Outsourcing	Lathe and milling work Surface treatment Coatings Sheet metal forming (bending, cutting) Welding work First coat and surface lacquer coating
Services	Engineering Logistics solutions
